

February 14, 2017

St. Clare School Families,

It's official! On Wednesday, February 8 our students voted on a school mascot. They were given the choice between the current mascot, a mustang, or a bulldog. **The bulldog won 73 to 35.** All classes from 3K through 8 had the opportunity to vote. Watch for our bulldog to make his way around the school in 2017-2018.

Students interested in Hunter Safety there will be a spring class sign-up at the Wrightstown Elementary School in the cafeteria. Sign up will be on March 21st starting at 7pm. Sign up is in person only! The class is only open to the first 40 students. Students will need to bring:

- Their DNR number with them. If they don't have one, they can go on the DNR website to get one before sign up.
- A parent/guardian to sign for their registration.
- \$10 for class fees (cash only)

Class nights are March 30, April 4, 6, 11, 13, and 18. Class will run from 7 to 9pm. We will also be having Range Day on April 15 starting at 8am. This is a class requirement! If anyone needs additional information, they can call Brad Hassemer at 920-864-2848 or email carrensca@gmail.com.

In partnership with the National Inventors Hall of Fame, St. Clare School is pleased to offer the nationally-acclaimed Camp Invention program to children entering grades K-6. It's an exciting, weeklong summer adventure with lessons that explore connections between science, technology, engineering and innovation. Children will work together to seek solutions to real-world problems and sharpen critical 21st century learning skills while rotating through several fascinating modules. The week begins on July 24 with Dr. Nardi serving as Director of the Launch program!

Here is how young innovators will be spending their time:

- Engaging creative thinking to design and build their own duct tape creations
- Experiencing the power of rocket science by building and launching rubber band rockets
- Exploring aerodynamics to blast water rockets made from plastic bottles more than 50 feet in the air
- Taking apart non-working machines and devices to investigate their inner operations

All activities give participants the opportunity to explore, discover and achieve while having fun!

Local educators will facilitate program modules and enthusiastic high school students will serve as Leadership Interns ensuring that one program team member is in place for every eight children.

Register on or before March 20, 2017 using promo code Discover25 to receive \$25 OFF the base price of \$235. Every registration includes a complimentary Camp Invention t-shirt. Availability is limited, so visit www.campinvention.org or call 800-968-4332 to secure your child's spot today!

St. Clare
CATHOLIC SCHOOL

St. Clare School bulldogs are available for sale at the school office. They are currently sold out, but more are on the way. Each stuffed dog costs \$8.00. We are selling the bulldogs to fund our positive behavior intervention and support program (PBIS). Money will be used to purchase rewards and other incentives during the 2017-2018 school year.

Mrs. Linwood will be selling **muffins on Tuesday and Wednesday mornings** before school. Muffins are 50 cents each. The profits will help to support early childhood program needs. Thank you for your support!

If you know anyone who is considering St. Clare School for their children, please encourage them to give us a call for more information or schedule a tour. Registration materials are now available.

God Bless,

Dr. Stephanie Nardi
Principal
