St. Clare School Families,

Meet Buddy! He's our new St. Clare mascot. Buddy will be the face of our positive behavior and anti-bully programs beginning in 2017-2018. A special thank you to the design experts at Harmann Studios for creating our Buddy image.

St. Clare Bulldogs are in stock and available for sale at the school office. Each stuffed Buddy costs \$8.00. We are selling the bulldogs to fund our positive behavior intervention and support program (PBIS). Money will be used to purchase rewards and other incentives during the 2017-2018 school year.

In honor of Dental Health Month we are doing a toothbrush and toothpaste collection. Please help us to collect these items for local families. Donations can be dropped off at the school office through February 28. Thank you.

This summer, launch your child's imagination at Camp Invention. All-new modules mean all-new fun as children invent, build, question, and discover. Children in kindergarten through 6th grade experience real-world problem solving and creative thinking as they transform the terrain and ecosystem of a distant exoplanet, take risks as future entrepreneurs, blast rockets and rubber chickens, and wire a circuit to create their own Spy Gadget Alarm Box! Local educators lead a week of hands-on activities that fuel children's 21st century STEM skills. Early registration discounts are available so don't miss out on this exciting opportunity. **Register on or before March 20, 2017 using promo code Discover25 to receive \$25 OFF the base price of \$235.** Every registration includes a complimentary Camp Invention t-shirt. Availability is limited, so visit www.campinvention.org or call 800-968-4332 to secure your child's spot today!

Mrs. Linwood will be selling **muffins on Tuesday and Wednesday mornings** before school. Muffins are 50 cents each. The profits will help to support early childhood program needs. Thank you for your support!
