

St. Clare Catholic School

Newsletter

October 16, 2017

From the principal:

As stated in last week's newsletter, there will be a collection taken for hurricane relief when our 7th graders attend Mass with the Bishop on October 25. The DASA Northeast regional principals are asking all Diocesan school students to consider making a \$1.00 donation. The donation will go to NCEA Student to Student (National Catholic Education Association). If you choose to participate, please send cash in an envelope marked "NCEA hurricane relief" by October 20. This might be an opportunity to talk with your children about ways we can help others in need. Through prayer and donations (monetary, food, blood etc) we can make an impact in our world. Thank you in advance.

Our first Feasting for Funds was a great success! We earned \$520. Thank you to the Just Stop In and all who enjoyed a meal out!

Kimberly Denkins, a parishioner, St. Clare parent and realtor asked me to put a flyer in the family folders. You will see the flyer this week. In her ad, Kimberly is marketing St. Clare school. As parents who choose to send your child(ren) to a Catholic school, you are the school's best marketers: in your neighborhood, at work, at the grocery store, at the gas station and at sports events. Please use these opportunities to promote St. Clare School in a positive way.

May God's blessing be upon you,

Dates to remember:

Oct. 17 & 19 Parent teacher conferences 3:30-6:30 p.m.
