

St. Clare Catholic School

Newsletter

October 2, 2017

From the principal:

This week seems to be fairly quiet around school. We continue to have MAP assessments until October 18.

The convent and rectory on our site will be taken down the week of October 9-13. Between October 3rd and 6th, there will be removal of asbestos. We are asking that you park across the road and walk to the Main Street doors. We will have students enter and exit through the Main Street doors, for the safety of all. There will not be access to the parking area between school and church. When coming to school during the day, please call the office so someone can let you in through the Main Street doors.

Our Little Caesars pizza sale was a success! Thank you for buying and selling Little Caesar's pizzas. We earned \$2184.00. There were comments made about the timing of the sale this year. We will take a look at this and make a decision about when the sale should be for next year. Feel free to contact school if you have ideas about the timing of the sale.

We need one volunteer for the hearing and vision screening on Tuesday 10/9 @10:30. Please call or email the office if you are able to help. [920-532-4833](tel:920-532-4833) or stclareschool@stclareagw.org

Conferences are approaching. Fall conferences are mandatory and we invite you to choose a time via SignUp Genius. You will receive a link that allows you to sign yourself up for the day and time that works best for you. The sooner you sign up, the better your chances are for getting the best time. I will be available also during these evenings and would love to meet some of you that I haven't had a chance to meet. If you have something specific you would like to discuss, please sign up for a time with me.

Wrightstown High School Robotics team is in need of ½ gallon and 1 gallon ice cream pails with the lids for their Booyah sale on October 14th. If you have some to donate, you may bring them to St. Clare School's office before October 13th. Thank you!
