October 9, 2017

From the principal:

On October 25, there is a Diocesan Bishop's Mass at Corpus Christi Parish in Sturgeon Bay. For the past several years the seventh graders have attended this Mass. There will be permission slips going home with seventh grade students with the details. As part of the Mass, there will be a collection taken for hurricane relief. In our efforts to participate, the DASA Northeast regional principals are asking all Diocesan school students to consider making a \$1.00 donation. The donation will go to NCEA Student to Student (National Catholic Education Association). We are asking you to consider donating to this cause. We will collect cash donations of any amount. If you choose to participate, please send cash in an envelope marked "NCEA hurricane relief" by October 20. This might be an opportunity to talk with your children about ways we can help others in need. Through prayer and donations (monetary, food, blood etc) we can make an impact in our world. Thank you in advance.

As the demolition of the convent begins on Wednesday so we need to park in the lot across the street. We may or may not be able to use the main entrance into school. If not, please enter and exit through the school doors on Main St.

Conferences are approaching. Fall conferences are mandatory and we invite you to choose a time via SignUp Genius. You should have received a link that allows you to sign yourself up for the day and time that works best for you. Please let the office know if you did not receive the link. I will be available also during these evenings and would love to meet some of you that I haven't had a chance to meet. If you have something specific you would like to discuss, please sign up for a time with me.

Thank you for your patience with band and piano lessons. It has taken some time to get everything organized. We should be finished with scheduling this week. Mrs. Sorenson will contact parents about lessons.

Dates to remember:

Oct. 9 Hearing and vision screening

Oct. 11-13 convent demolition-please do not park between the church and school
