

## St. Clare Catholic School

# Newsletter

November 13, 2017

From Mrs. Gruber:

*"A Catholic school is a place where students live a shared experience of faith in God and where they learn the riches of Catholic culture...Catholic schools must help students to deepen their relationship with God and to discover that all things human have their deepest meaning in the person and teaching of Jesus Christ." Pope John Paul II*

Thank you for choosing St. Clare Catholic School! I have really enjoyed being here and learning about this community and its history.

Thank you again to Mr. Schoening for teaching us about Veterans Day and sharing his experience with us.

National Young Reader's Week is this week. There was information sent home about activities all week. Thank you to Mrs. Linwood and Mrs. Schuster for planning!

Here is the sign up for helping @ St. Nick breakfast, December 10. There is also a link on facebook.

Home and School is working on planning an entry to the parade on December 2. Please contact an officer if you are interested in getting involved.

Home and School is looking for replacement officers. Please consider getting involved. If you cannot commit to being an officer, try to attend the meetings and offer ideas and/or assistance. If you attend a meeting, Home and School will donate \$5 toward your child (ren)'s classroom. Teachers can purchase needed items for their classroom right away so that your children will enjoy the benefit.

We are in need of new leaders for the VEX Robotics program. Thank you to Roger Diny, Lisa Kohlman and Shawn Puzen for leading this group! Please contact school if you are interested in learning more about VEX. The students meet every Wednesday in the Wrightstown church basement.

Notes from music:

These past few weeks have been very busy. For the second quarter all music classes and bands, will be focusing on the culminating event, the Christmas Program , on December 20, 2017. The students will perform at 1:00 pm and 6:00 pm in church.

Bring your cameras to record this event. All students have been working very hard. Please expect communication, in the near future, from your student's homeroom teacher and myself, on what is expected for this wonderful event.

All students performing should dress in their "church best." Festive colors would be appropriate to dress-up this special event. Special head's up to eighth grade parents, the eighth grade students will change into costume for the last part of the vocal performance.

Musically yours,  
Karen Sorenson
