

St. Clare Catholic School

Newsletter

January 9, 2018

From Mrs. Gruber:

We received our letter from WRISA (Wisconsin Religious and Independent School Accreditation) granting our continued accreditation. With the newsletter this week, I have sent a press release from WRISA, as well as our long range plan with goals. These need to be completed this year and next.

I sent a survey before Christmas to 3K and 4K families with some general questions to help in our planning for next year. I would like to get an idea of how many students we may have in those age levels. Parents are the best marketers of a school and your support of St. Clare is greatly appreciated. Please let your friends, neighbors and coworkers know about our school. Our Open House for Catholic Schools week will be the kickoff for registration. (January 28) The sooner we know how many early childhood students we will have, the better that will be for planning. Please respond to the survey or let me know if you prefer a written copy, I will be happy to send one home for you to fill out.

If you will have a child in 3K or 4K next year, please let me know. You can send me an email or call if you have any questions.

MAP assessment will be given to the kindergarten and first graders in math and reading the week of January 15. Teachers will notify you of specific dates. Other students will be tested to monitor their progress this year. You will receive a letter if your child is a student we feel should be assessed at this time.

We have about 10 Alpha Smart 2000 keyboards. These were originally used to practice typing. They are battery operated. If you would like one for your child to use at home, please pick one up or send a note with your child and we will send one home. You have until January 12 and then they will be gone.

Get ready to build your child's academic and faith-based future! Mark your calendars to join us at Xavier High School for Freshman Registration Nights on Mon., Jan. 29 or Tues., Jan. 30. The Xavier High School curriculum will be described, course selection advice will be provided, and families will be able to select courses for the 2018-2019 school year. Information on scholarship and financial opportunities will be available. The programs will begin in the Xavier High School theatre at 7:00 p.m. We look forward to welcoming members of our Class of 2022!

Wrightstown Little League Registration for the Summer 2018 season is now open. Interested parents should go to wrightstownbb.org and register their child.

Mystic Monk coffee is ordered monthly and order forms are available on the website (stclarek-8.org).

Please return only *Box Tops* to school. Campbell's soup no longer takes labels and the aluminum pop tops can be given right to any McDonald's for the Ronald McDonald House, we are not collecting them at this time.

When using Amazon, use amazonsmile and choose St. Clare as your nonprofit of choice. This is an easy way to earn money for our Parish/school.

Home and School is looking for replacement officers. Please contact Lisa Kohlman cowbell22@yahoo.com

We are in need of new leaders for the VEX Robotics program. Please contact Roger Diny rediny@juno.com
