From the principal:

Thank you to all who joined us for Parent Night on Sept. 20. I appreciate you taking time out of your busy schedules to attend the meeting. If you were unable to attend, I had some handouts available. These can be sent home to you. Please let me know if you would like a copy. The handouts were for the Discipline with Purpose program and the Superkids! Reading program. We also thank you for returning or filling out your Safe Environment forms. If you would like to volunteer at school, you need to have all the Safe Environment requirements completed. Even though there was a deadline, these requirements can still be completed if you want to be a volunteer. Thank you!

We are in need of 1 to 2 volunteers to help with Vision and Hearing Screening on Oct. 3 @ 10:30-11:30. Please let the office know if you are able to help. Thank you!

Please support the Little Caesar's pizza fundraiser as much as you are able. Orders are DUE this Thursday! ***We still need volunteers to help with the delivery and pick up of the pizzas on Oct. 8th. Please let the office know if you are able to help.***

MAP Assessments begin next week and go through the end of October. While this is just one assessment, we use the information to help us determine our instruction. For example, if a class is low in one area of math, the teacher makes adjustments in her instruction to ensure that students make growth in that area. MAP Assessments, Fountas & Pinnell Reading Assessments and our Superkids Reading assessments help us determine the student's individual levels and make adjustments in instruction to meet the needs of each student. Your child's teacher will let you know when they will be assessed. Please help us encourage them to do their best.
