From the principal:

St. Clare has begun the process of application for the Wisconsin Parental Choice Program. There will be details in the registration materials. We will also schedule some meetings to explain the process and help parents apply for the program. This will allow us to offer tuition free Catholic education to qualifying families.

As of today we are going to have dismissal at 3:00 p.m. Our afterschool bus driver said she has time to have our students leave St. Clare a little later and then they won't have to sit on the bus as long, when they get to the middle school. This is something I requested earlier this year, and having the new driver, she also agrees that this is better. So, if you pick your children up, you can come a few minutes later. We will exit the building at 3:00 on a daily basis. Thank you!

A note from Home and School:
