### From the principal:

It's been quite a couple of weeks with the weather! I hope it hasn't been too difficult to work out child care for those of you that need to find a place for your children. As soon as I get information about whether or not we will need to make up the days, I will let you know. There are options, so I will let you know when decisions are made.

Thank you to everyone for visiting the St. Clare School Book Fair! So happy to share the joy of reading with so many people! When school is delayed, please refer to your Sign Up Genius for lunch. Since we are not able to send an accurate number on these days, Konop uses how many students signed up ahead of time. These numbers are given to them one week ahead of time. ***Please send a cold lunch with your child on days we are delayed if they were not signed up for hot lunch the previous week. This will allow us to have enough food for all students. Thank you!***  
***Also, when school is cancelled, Konop serves the lunch from that day on the day we return. If your child changes their mind, they can bring a cold lunch and not take hot lunch.***

Here is the link to the DPI if you would like to read more about School Choice. We are still working on setting up an informational meeting.
