February 19, 2019

### From the principal:

**We will need to add March 8 as a school day due to the snow days used this winter. If you have previously arranged plans for this day, please treat the day as you would any other absence and call the office to alert staff that your child will be absent. We will work hard to make sure your child has all they need to have the absence go as smoothly as possible.**

The meeting for the Wisconsin Parental Choice Program will be March 13 @ 5:30 p.m. in the school cafeteria. This meeting will focus on how parents apply for the program, but all are welcome to come and hear how this program can help St. Clare school and families. The application process is open now until April 20, 2019. It is important to apply as soon as possible in order to have a seat available. This program provides a voucher for eligible students who want to attend a participating private school. This is a state program.

A flyer was sent home with information on how to apply. ***The diocese recommends using the DOR (department of Revenue) method because it is easier and ties to your State of Wisconsin tax filing.***

Here is the link to the DPI if you would like to read more about School Choice and/or get started.

The \$10,000 Raffle committee will be starting their planning process soon. Watch for more information about how you can help! Thank you to all who work so hard to make this a great event!

The next Feasting for Funds is this Wednesday at Van Abel's. I inadvertently deleted the date from last week's newsletter.

Thank you to those who have already turned in your registrations. All of our planning depends on registration! Class groupings, staff and materials depend on how many students we have. Please return the registration form as soon as possible. March 29 is the deadline for early registration and the lower tuition rate!
