My faith gets me through difficult times and I am blessed to be part of a community that values faith in Jesus. I am grateful to be able to practice my faith on a daily basis while at "work". Please continue to pray for my family with the loss of my dad. The funeral will be May 11 and therefore I will be taking off May 8-13. I will check my emails but may not be able to respond quickly on those days. Thank you for your understanding.

Happy Mother's day to all!

Correction: There was a misprint in the information about the math bowl. It was Joseph Uitenbroek that won a First Place in the individual math competition and group.
