### From the principal:

*"Lent is to be lived as a time of conversion, as a time of renewal for individuals and communities, by drawing close to God and by trustfully adhering to the Gospel. In this way, it also allows us to look with new eyes at our brothers and sisters and their needs." (Pope Francis, General Audience, March 5, 2014)* Try one of the 9 ways to pray from the article that you have never tried before. <https://www.wearesaltandlight.org/pray-together/nine-ways-pray/>

SCRIP update: Feb profit = \$2222 YTD = \$22,484 Please keep using the Scrip program and encourage your family and friends to do the same. We are over half way to our goal in order to have the drawing for free tuition!

On Friday, we sent home a pink packet for a bracelet fundraiser. Sales of these bracelets will benefit Lily Wertel, a first grader at Wrightstown Elementary who is currently battling an inoperable sarcoma. The first grade class at St. Clare is selling the bracelets to support her. Please keep Lily and her family in your prayers! There will be a bracelet making session this Saturday at school from 10 a.m.- 12 p.m. Fourth through eighth graders can receive service hours if they help make bracelets.

**Mark Your Calendars! Spring Early Childhood Open House - Sunday, April 14 (After the 10:00 Palm Sunday Mass until 12:30)** This open house will be for families of children entering grades 3K, 4K and K. 4K families, this will be a great opportunity for you to spend some time in the kindergarten room and get to know Mrs. Smits. 3K families, this will be a great opportunity for your children to meet some of the new children who are registering for 4K next year and will be in their class. It would be great if your 3K children could show some of our new guests around our room, explore some toys, etc. If possible, please try to come and get to know these families!

Mr Van Grinvesen ordered some fun new phy ed equipment with the proceeds from the American Heart Association Jump Rope for Heart and the Home and School donation.(Pickleball set and bocce ball set) Thank you for your support!

Thank you to all who were able to participate in the fundraiser and to Home and School for the generous annual teacher donation.

If we do not have another snow day we will not need to have school on April 18. I am going to hold that day in reserve. If there is a snow day between now and then, we will need to make it up. If you already have plans April 18 and we need to have school, let the office and your child's teacher know.
