

October 1, 2019

Dear Saint Clare Families,

The main activity for this week has been MAP Testing in 1st through 8th grade! Most of the students have taken the assessment very seriously. Their goal has been to beat their Spring scores, and many of them have done so! We will discuss how your child(ren) did at Parent-Teacher Conferences.

Some new October events have been finalized since the paper calendar was printed. In addition, parents have been asking about big events during the year because they want to plan ahead for days off. So, here is what's happening...

Hearing and Vision Screenings (Wed 10/9, starting at 8am)

Brown County Health and Human Services will be at school on October 9th for Hearing and Vision Screening. Grades 4K, Kindergarten, and 1st will do hearing screening and 4K, Kindergarten, 1st, 3rd, and 5th grades will receive vision screening. If your child is not in one of these grades, but you would like them screened, please let the school office know prior to the 9th.

We are also looking for 1 or 2 volunteers to help with screening from 8am until around 11:30am. Please let the school office know if you can help.

Next School Advisory Board Meeting (Thurs 10/10, starting at 6pm)

You are always welcome to attend the meeting as a spectator. In order to talk, you need to contact me a week ahead of time to be put on the Agenda.
